

```
function Pyramid(rows)
{
  for (let i = 0; i < rows; i++) {
    var output = '';
    for (let j = 0; j < rows - i; j++) output += ' ';
    for (let k = 0; k <= i; k++) output += '* ';
    console.log(output);
  }
}
```

Pyramid(5)
